

# Fidesic For Franchises

## End-to-End Electronic Franchise Billing system

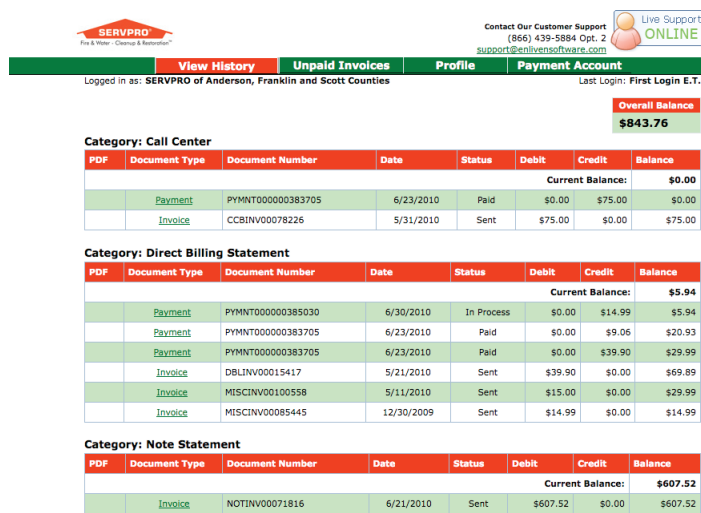

Fidesic for Franchise Organizations is designed to make your business run smoother, keep your franchisees happy, and let your company grow without expanding your accounting department. Invoicing, sending statements, and accepting payments are all handled through a single system allowing great visibility into your current AR status. Fidesic is customized specifically for Franchises, and will allow you to maintain excellent relationships with your franchisees.

### Fidesic Allows You To:

- Invoices all your franchisees quickly and electronically right out of GP
- Give your franchisees access to a web portal to keep track of all billing sorted by category and make payments
- Capture invoice data directly from your accounting system
- Accept ACH and CC payments automatically
- Pass convenience fees onto Franchisees

### Benefits of Fidesic for Franchises

- Save money on your AR processing costs
- Allow your company to expand rapidly
- Make paying as simple as possible for your franchisees
- Automatically collect payments by category (ie. Royalties and Marketing) and turbo charge your cash-flow
